The Board of Selectmen of Lebanon, N. H.:

In accordance with your instructions we have audited the accounts of the Town of Lebanon for the year ended January 31, 1927 and submit herewith a balance sheet as at that date together with a statement of receipts and disbursements for the year then ended.

We traced all recorded receipts of town monies to the bank of deposit, found that funds disbursed were supported by proper vouchers and reconciled the selectmen's record of receipts and disbursements with the treasurer's cash book.

Cash was verified by confirmations obtained directly from depositories, except that the amount, $2,664.26, shown by the books as being on deposit in the Peoples Trust Company to the credit of the New Town Hall Building Committee on January 31, 1927, was not confirmed to us by the Board of Bank Commissioners in charge of that bank. We accounted satisfactorily for all other assets, except supply inventories which, because of weather conditions, could not be checked by a physical count.

Notes payable and bonds outstanding as at January 31, 1927 were verified by independent investigations.

In addition to the general accounts of the town we audited the accounts of the following for the year ended January 31, 1927:

Trustees of Trust Funds

Lebanon Public Library

Treasurer of the Lebanon Cemetery Committee

All recorded receipts and disbursements of the foregoing were accounted for to our satisfaction and all funds on deposit to the credit of these divisions on January 31, 1927 were confirmed directly with the depositories. The Trustees of Trust Funds have received a further dividend of 25 per cent. from the Peoples Trust Company on account of funds on deposit in that bank when it suspended pay-

ments. A total of 58 1-3 per cent. in liquidating dividends has been received by the trustees from that bank.

Subject to the foregoing comments we hereby certify that, in our opinion, the attached balance sheet and related statement of receipts and disbursements set forth correctly the financial position of the Town of Lebanon, New Hampshire, as at January 31, 1927 and properly summarize its financial transactions for the year then ended.
